Leal Customs Consultancy

Carrying on its business and exhibiting its unique distinction since 1970, our company gained its corporate identity - **Leal Customs Consultanc** - in 1991; thus, becoming one of the industry leaders. Developing itself with an innovative and top-quality approach day by day, our company focuses on the customer satisfaction thanks to its team of certified specialists, i.e.: customer advisors, customs consultants and assistant customs consultants, and carries on a wide range of its services together with its solution partners.

Based in Istanbul, **Leal Customs Consultancy** expanded its network of services by opening branches and liaison offices in İzmit / Dilovası, İzmit / Derince, Istanbul T.H.Y. Outbuilding Yeşilköy, Bursa / Gemlik, Zonguldak, İskenderun and Mersin and achieved to be one of the industry leaders thanks to a distinct policy it follows for its customers with regard to services such as domestic and foreign trades, logistics, storage, transportation/shipping and supply chains by increasing its trading volume every day.

Leal Customs Consultanc an **ISO 9001** certified company accommodates a team of specialists who develop and improve all of requirements of customers within its own body in accordance with a prompt, up-to-date and technological structure by virtue of legislations that steadily change and are renewed.

Leal Customs Consultanc renders prompt, proper and top-quality services enhanced with right choices and professional solutions. In carrying out such services, it strives to respect the human and nature and provide all of its personnel with occupational and personal development training sessions.

Achieving prompt and reliable results, aiming uniquely at the quality and high-class services, committing itself to principles of honesty and offering straight and clear solutions for its wide portfolio of customers, **Leal Customs Consultanc** raises the “quality” bar by further expanding its network of services thanks to an understanding of distinctive services and an active teamwork.

Our Mission;

To provide professional and customer-oriented support for prompt, high-quality and reliable services...

Our Vision;

To reach our customers on time in accordance with the rules and regulations, to continue to be a pioneer in the sector with our knowledge and values.

import

SERVICES

Our Company makes all of its customers informed at each phase of all procedures connected with imports; all of your import procedures and transactions are carried out by your customer representative who handles the entire process for you from beginning to end by using a job tracking system.

Our customers can follow their procedures and transactions for customs operations throughout the job tracking system at our website at “www.leal.com.tr” by using their passwords assigned to them.

export

SERVICES

All of your export procedures and transactions are handled for you by your export customer representative within our organization from beginning to end.
